### **Delivery Schedule for 2009 School Buses**

All school buses listed in the purchase authorization shall be built and delivered to the purchasing Kentucky school district on or before May 1, 2009, provided the order is received by the vendor on or before November 1, 2009.

The contract States:

- (a) Type A, C and D school bus suppliers shall accept all orders for sixteen through eighty-four passenger school buses received through November 1, 2008.
- (b) Type A, C and D school bus suppliers may, at their discretion, accept late orders after November 1, 2008 provided they can be delivered to the purchasing school district no later than June 30, 2009.
- (c) Orders received after November 1, 2008 shall be delivered not more than two-hundred days after the receipt of the order.

All Type A, C and D school buses purchased shall be paid for in the amount F.O.B Kentucky cost which is stated on the Proposal Form within thirty days of acceptable delivery. The local district may withhold \$200 from the purchase price, which is to be retained, until the local district has completed a New Vehicle Inspection and is satisfied with the pre-delivery inspection.

The \$200 deducted for pre-delivery service will be paid to the supplier within thirty days, after all deficiencies are corrected.

## **2009 SCHOOL BUS PURCHASES** **OPTIONS**

### **PURCHASE INSTRUCTIONS**

School districts may purchase options for installation on school bus bodies. Purchasing of options require submittal of a school board authorized purchase order to the Division of District Operations with the School Bus Purchase Authorization.

### **PURCHASE ORDERS**

Purchase orders are to be addressed to the appropriate body dealer. Use a complete description, extend cost, total and sign. Please send these to the Division of District Operations for processing. We will record, attach and forward the completed order to the body company dealer.

### **PAYMENT**

Kentucky school districts purchasing body options will be billed by separate invoice. The cost of options will not be added to the reimbursable cost of the school bus.

The following options may be purchased and installed at the school bus body factory on sixteen (16) through eighty-four (84) passenger body shells:

### **5 year Warranty Information**

Blue Bird warrants each bus to be free from defects in material and workmanship under normal use and service for five (5) years from the date of delivery to the original user. Blue Bird warrants all components installed by Blue Bird except engines, automatic transmissions, wheelchair lifts, air conditioners, tires, batteries and non-Blue Bird chassis, which are warranted separately by their manufacturers(\*).

Blue Bird's obligation covered in this limited warranty is limited to the repair or replacement of such parts as shall, under normal use and service, appear to have been defective in workmanship or material. Without restricting the generality of this limitation, loss of use, commercial loss and maintenance are specifically not covered. This warranty shall not apply to any parts or components which must be repaired or replaced during the warranty period as a result of what is, in the opinion of Blue Bird, normal wear and/or deterioration in the course of normal operations or use, accident damage, misuse and/or abuse. Abnormal operation, misuse and abuse include, but are not limited to, excessive operation on unpaved, un-maintained roads and operation on cross-country trails or off-road conditions. If distributors, dealers or customers have any vehicle modifications or equipment installations performed without the written approval of Blue Bird, to the extent the modifications or equipment installations adversely affect other vehicle components or performance, Blue Bird shall not accept any product liability or claims under the terms of the limited warranty. These claims become the sole responsibility of the company performing the modifications and/or installations. Overloading beyond the normal seated and standing capacity voids all warranties.

**THIS LIMITED WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED AND ALL OTHER OBLIGATIONS OR LIABILITIES. NO PERSON, INCLUDING SALESMEN, DEALERS, DISTRIBUTORS, OR FACTORY REPRESENTATIVES OF BLUE BIRD, IS AUTHORIZED TO MAKE ANY REPRESENTATION OR WARRANTY CONCERNING BLUE BIRD PRODUCTS EXCEPT TO REFER PURCHASERS TO THIS LIMITED WARRANTY. BLUE BIRD MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. BLUE BIRD SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.**

Blue Bird reserves the right to make changes in design and changes or improvements upon its products without imposing any obligations upon itself to install the same upon products theretofore manufactured. Defects must be reported to a Blue Bird Distributor, a BusCare Service Center or a Blue Bird Factory Representative immediately upon discovery of the defect and within the warranty period as stated herein. Unless authorized by the Blue Bird Distributor, the BusCare Service Center or the Blue Bird Factory Representative, repairs under this limited warranty are to be performed by the Blue Bird Distributor or BusCare Service Center. It is the responsibility of the owner/operator to return the bus to the Blue Bird Distributor or BusCare Service Center for warranty repairs. All claims for warranty adjustments must be received by Blue Bird not later than 30 days after the repair date. Any suit alleging a breach of this limited warranty or of any other alleged warranty must be filed within one year of breach.

All rights under this limited warranty shall be governed by the law of Georgia, U.S.A.

\* For specific coverages of the component manufacturers, refer to the component manufacturers' limited warranties included in the information package supplied with each new bus, or contact the local dealer for each component manufacturer. Inquiries about the availability of extended warranties offered by the component manufacturers, shall be directed to the component manufacturers' local dealer.
